MACROSCOPIC DESCRIPTION

Alexandrette marble is a natural type stone of Turkish origin of high quality, at black background with white veinings. Beauty and originality render the Alexandrette marble ideal for flooring's productions, staircase, composition from natural stone mosaics, of virtue upholstery, sink, bath tubs, luxury fireplace, column and sculpture.

Decorative marble with strong character, capable of giving personality at interior and outside place, both classic projects and more moderns, it expresses its elegance better in polished and brushing.
