ROYAL YELLOW

COLOUR

Yellow

MACROSCOPIC DESCRIPTION

Royal Yellow Marble is an Italian natural stone with a warm yellow color, more or less pronounced based on the block of provenience and quarry of extraction in Italy. Suitable for many different applications, Royal Yellow Marble can be used for classical and traditional projects as staircases, floorings, facings and decorative objects, elements for bathrooms and kitchens. For interior design projects, Royal Yellow marble is best is used polished or brushed and for the exterior ones, this marble best expresses its beauty and has the best endurance with finishings as bush-hammered and sandblasting.

Royal Yellow marble can be also used in combination with other marbles with neutral colors to obtain more modern and contemporary effects.
