NERO ROYAL

MACROSCOPIC DESCRIPTION

Nero Royale marble, a precious stone extensively used in the last few years in modern and contemporary projects and applications, thanks to deep black background and important veining, that give character and personality to this stone.

Mainly suitable for interior design applications, Nero Royal marble can be used for the realization of elegant and stylish floorings, imposing staircases with a modern touch, columns, decorative and daily objects for public and private use, facings of many types and tops for kitchens and bathrooms.
